

## **OFFICIAL COMMUNIQUE**

### **Deferment of APIC 2020**

The following announcement is a follow-up to the previous communique released on 18<sup>th</sup> April 2022.

Conforming to Covid-19 safety measures, the APIC 2020 in India which was to be hosted by CPMA, had been planned tentatively around May 2023.

However, as the pandemic continues to persist, posing challenges for international travel and accommodation, it is unclear if APIC members will be able to attend the conference in May 2023. Hence, members have collectively decided to hold a discussion in Sep 2022 to plan the date for the next APIC, after monitoring the situation for another few months.

Let us support one another as we fight the Covid-19 pandemic undivided across borders.

Issued by CPMA  
15<sup>th</sup> July 2022, New Delhi
